Thank you to all our sponsors for their generous support of the 2010 National Multicultural Festival, to our many volunteers and to Canberra's multicultural community who help us bring together a great celebration for Canberrans and visitors.

Our top tips for enjoying the festival

- Stay cool and hydrated! Drink plenty of water and avoid alcohol or caffeine drinks. Some bottled water will be available at the Festival Information stall but we encourage festival participants to bring their own
- Never leave children or animals in an unattended car
- Wear light, loose, comfortable clothing and don't forget a hat and sunscreen
- Keep an eye on babies, children and older people and make sure they drink water regularly. A sanctuary for seniors, parents and children will operate in Ainslie Place on Saturday (see map)
- For first aid or police assistance, go to Emergency Services (see map)
- The Festival Information stall is located at the fountain on City Walk
- Note that London Circuit is open to traffic, so extra care needs to be taken when crossing to the festival area.
