## Stallholder Information & Entertainment Program

# 2020 National Multicultural Festival

### Stallholder Induction Session

**Date:** Wednesday 4 December 2019

**Time:** 5:00pm to 8:00pm

**Location:** Theo Notaras Multicultural Centre,  
Function Room, Level 2, 180 London Circuit, Canberra  
City

The Stallholder Induction Session **is mandatory to attend** for all stallholders participating in the 2020 National Multicultural Festival.

The session will cover important information that will assist stallholders to operate within the terms and conditions of the Festival. The session will include information on:

- Requirements for stalls and food vans including electrical appliances and power requirements;
- Waste and recycling;
- Liquor licences and food permits;
- Vehicle permits; and
- Work, Health and Safety practices.

Allocations will be communicated prior to the stallholder induction session. Please note that allocations will not be negotiable

We look forward to seeing all our 2020 stallholders at the induction session!

### 2020 Festival Sponsors

We would like to say a big THANK YOU to our sponsors for the 2020 National Multicultural Festival. Without the generous support of our sponsors the Festival simply wouldn't be possible. You can check out all our sponsors on our [website](#)

### Entertainment Program

The Entertainment program for 2020 National Multicultural Festival was released to all performers last week.

Included in the email to all performers was a link to the Performance details form. If you are a performer, please ensure you fill in the form by **5:00pm Friday 20 December 2019** so that we capture any requirements your group may have.

### Useful Stallholder Information

#### Mandatory Floor Covering

Stallholders must provide their own floor covering that can be wiped cleaned. It is important the floor covering cover the whole floor of the stall.

#### Smoke Extraction Measures

The Festival team is currently exploring options for stallholders using a Charcoal or open flame BBQ to assist with extracting the smoke up and out of each stall. If you applied to utilise a charcoal BBQ we will be in touch with information soon!
